EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with the attorney Patrick Yoder on Wednesday, January 11, 2006.

The application has been amended as follows: Claims 36-45 and 66-73 are cancelled.

REASON FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: In combination with all the limitations recited in the independent claim, all the prior arts do not show an electrical component system comprising main power conductors to convey power from a main source of power; secondary power conductors to convey power from a secondary source of power; and a connector assembly disposed on a component support of a component assembly and adapted to complete an electrical connection between the component assembly and the secondary power and network data conductors upon engagement of the component assembly in an enclosure of the electrical component system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
